India Today World Desk 

Ruslana Korshunova, a top model who died by suicide by jumping from the 9th floor of her Wall Street apartment in 2008, had previously flown on sex offender [Jeffrey Epstein's](#) private jet to his private island, the [recently released court documents](#) revealed.

Epstein's private island in the US Virgin Islands, Little St. James, was known for allegedly hosting underage girls involved in Epstein's sex trafficking ring.

Korshunova, often referred to as the 'Russian Rapunzel' for her knee-length chestnut hair, was just 18 when she travelled on Epstein's private jet, the *Lolita Express*, and she died by suicide two years later.
