

USDA People's Garden Registration and Tracking

Join the People's Garden Initiative today by completing this registration form. Your garden will be posted to a map on USDA's website and we will send you a People's Garden sign to display. Learn more about the initiative including criteria to participate by visiting [The People's Garden](#). Email the USDA Office of Urban Agriculture and Innovative Production at urbanagriculture@usda.gov with comments or questions.

Note: * indicates a required form field.

Date*

Please select if this is a new submission or an update to a previous submission.

 New Submission Update Previous Submission

First Name*

Last Name*

What is your e-mail address?*

What is the name of the organization managing the garden?*

Saved

What is the garden's name?*

Enter the garden's website (if applicable)

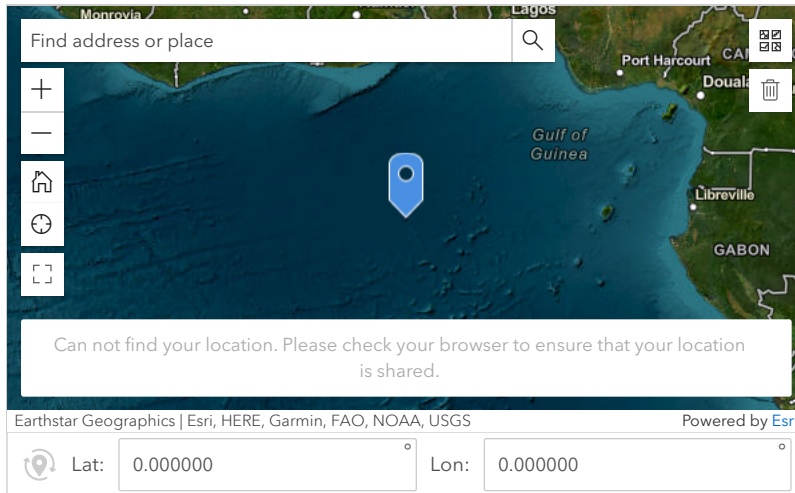

Phone Number*

format: 999-999-9999

Enter the garden's address*

Location

Click the house icon to zoom to the United States

Is the garden's mailing address the same as the garden's address?*

Yes No

What type of group is managing the garden?*

Community Group/Non-Profit/School USDA

Non-USDA Federal Dept. or Agency Tribal Organization

Saved

Local Government

Select all community groups involved in the garden*

Schools (K-12) Tribal Organizations

Faith-Based Organizations Veterans Volunteers

Senior Citizens Youth Organizations Higher Education

Other Community Groups

What type of garden do you have (select all that apply)?*

Food Gardens Wildlife Habitat and Sustainable Garden

Beautification Training

What year was the garden established?*

Check all the boxes below to certify that your garden meets the People's Garden criteria:*

Community Benefit (e.g., provides food, beautification, wildlife habitat)

Collaboration (e.g., involves neighbors, co-workers, food pantries)

Education (e.g., signage, classes, events)

Environmental Sustainability (e.g., incorporates sustainable practices)

Briefly describe how your garden meets the People's Garden criteria for community benefit, collaboration, education and environment sustainability.*

The description should be no more than 250 words. Garden activities can meet multiple criteria (e.g., youth programs meet the education and community benefit criteria).
